## Newsletter ARTOF August 2016

### **President's Message**

*Peter Biberthaler, President*

We are excited to present the Summer issue of the ARTOF newsletter. In anticipation of the upcoming annual SICOT meeting in Rome with an extraordinary hands-on ARTOF session planned excitement continues. Please find session details below. We are very grateful for professional support during the hands-on workshop from Smith&Nephew. I am looking forward to seeing you in Rome at the SICOT meeting!

There has also been a great deal in recent activity in organizing instructional courses and hands-on training sessions under the patronage of ARTOF. Please find a review and impressions below in this newsletter. With excitement we are very proud to announce upcoming sessions, which are currently being planned. So, please mark your calendars for the upcoming events!

### **Secretary's Message**

*Marc Hanschen, General Secretary*

ARTOF, the Association for the Rationale Treatment of Fractures, accomplished a huge leap forward during the last few months. By rejuvenating the website with its launch this summer ARTOF set a cornerstone in meeting the society's need for professional communication. The society's activities to patronage instructional workshops were intensified, this is in line with the primary mission of the society: To foster professional education and mentoring in the field of trauma and orthopedic surgery and to promote the exchange of knowledge. Please feel invited to explore the new website of ARTOF, which can be found at [www.artof-online.org](http://www.artof-online.org). Don't forget to sign up for the newsletter and become a network member of ARTOF!

### **Future Events**

[ARTOF Instructional Workshop on occasion of the 37th SICOT Orthopedic World Congress in Rome, Italy.](#)

ARTOF is excited to announce the ARTOF Instructional Workshop on occasion of the 37th SICOT Orthopedic World Congress to be held in Rome, Italy. On Friday, the 9th of September 2016 from 14:00-15:30, ARTOF organized a symposium called

'Innovations in Hip Fracture Management'. The Workshop will take place at the Rome Marriott Park congress venue, room Michelangelo 2. ARTOF will present newest innovations in hip fracture management and is grateful for the friendly support of [smith & nephew](#).

Mark your calendars and visit us at the SICOT Meeting in Rome, we expect a vibrant session! [Please find the details of the instructional workshop below:](#)

## **Munich Shoulder Fracture Course 2017**

Mark your calendars for the upcoming 3rd Munich Shoulder Fracture Course, to be held in Munich in May 2017. The success of the past years encouraged the organizers to offer academic session and hand-on training sessions in the wet lab. The MSF-Course 2017 will take place from 05.05.-06.05.2017, ARTOF is proud to patronage the event! Details concerning the finalized program and registration modalities will follow in one of the next newsletters.

## Past Events

### **Munich Shoulder Fracture Course 2016**

The Munich Shoulder Fracture Course 2016 took place from 15. April - 16. April 2016 in Munich under the patronage of ARTOF. The course was highly rated by the participants. Especially the hands-on sessions in the wet-lab were highly appreciated. Please find impressions of the wet-lab session below.

### **ARTOF Instructional Workshop on occasion of the EFORT Meeting in Geneva 2016**

On occasion of the EFORT Meeting 2016 in Geneva in June 2016, ARTOF hosted an Instructional Workshop highlighting the topic 'Fractures around the shoulder - current treatments'. The session was, without exaggeration, not only well attended but jam-packed! Participants had to follow the session standing in the aisle, all seats were taken. The number of participants reflects the high quality of talks given by our faculty! Please find impressions from the session below.
